## ***Goal***

I am interested in learning practical working skills through an internship that will add to the depth of my on-job experience.

## ***Work Experience***

**Vision Martial Arts**, Cary, NC

11/2017 – Present

### **Assistant Instructor**

- Instruct and lead a class of 20-40 adults and kids of all colored level belts
  - Teach valuable life skills respect, honor, and self esteem
  - Learn how to be an engaging and in-control leader during instructor training
  - Completed a Level 1 Assistant Instructor Certification for ATA Taekwondo
- As an assistant instructor I best learned how to adjust my leadership style depending on the members of the group.

**Talent League**, Cary, NC

10/2019 – Present

### **General Director for North America**

- Create and develop a competitive esports league
  - Plan, organize, and execute events similar to Premier Play (below) on our Discord server and professionally present them live on Twitch
  - Lead and manage a team of 30 staff members
- As the North American Director I learned how to coordinate and multitask on a large scale.

**Goldfinch Sensors Technologies and Analytics**, Durham, NC

06/2018 – 08/2019

### **Intern**

- Calibrated, collected, and interpreted data from a scintillator
  - Worked with a CNC mill, 3D printers, and other shop equipment
  - Flew sensor carrying drones and aircraft after obtaining a Part 107 Drone License
- As an intern I learned how to better construct new ideas from what I've been taught previously to better solve the problem at hand.

**Premier Play**, Cary, NC

06/2016 – 12/2019

### **Founder**

- Created and led a competitive esports community designed around hosting scrimmages
  - Led a staff of 5 people to carry out tasks like outreach, productions, and administration
  - Developed a strong sense of how to interact in a professional environment
- As the founder I learned how to best communicate with various different people like peers and inferiors to other community leaders.
